The 8th Green is under reconstruction and the hole is out of play. The walk from the 7th Green to the 9th tee gives an opportunity to observe the exciting changes being made to the 8th hole. An interesting new green has been built about 3/4 of the way down the 4th hole, and the original Par 5 is now played as a Par 4, 4A, and a Par 3, 4B. This temporary course is a Par 68 for men and a Par 70 for ladies.
